Dear Dan,

EGL (LabCorp) has sent a response to your letter via FedEx. Given your prior notification to us that we change the address for Notices pertaining to the license, the letter has been sent to:

**Executive Director, Innovation  
Massachusetts General Hospital  
101 Huntington Avenue, 4th Floor  
Boston, MA 02199**

I'm attaching a scanned version for you.

After you've had time to review the response, I think it would be helpful for you and I to meet and discuss this matter. I think it is in both of our best interests to resolve this and work cooperatively and productively together.

Please let me know when you might be available.

Kind regards,  
Kellie
